PLANNING BOARD  
GRAFTON, MA

TO: Town Planner  
Steven Venincasa

DATE: July 18, 2017

RE: Millstone Drive Streetlight Location

On the evening of July 11, 2017, the Board of Selectmen voted to approve street light locations for the Millstone Drive Subdivision. The Board approved one standard streetlight to be placed at the corner of Pleasant Street and Millstone Drive. All houses on Millstone Drive will have one lamp post in the front yard of each lot, situated close to the road and the driveway, which will be controlled and owned by the homeowner. The location and design of the post should be left to the contractor and the Town Planner, but should be situated close enough to the road to illuminate the roadway in front of each lot.
